NOTICE OF APPROVAL

This Notice of Approval addresses the January 23, 2025 application of Valero Refining-Texas LP to relinquish its power generation company registration number 20076 in accordance with 16 Texas Administrative Code (TAC) § 25.109. Valero seeks to relinquish its registration because it no longer generates power to be sold at wholesale and has registered as a self-generator.

On January 28, 2025, Commission Staff recommended approval of the application.

The administrative law judge finds that Valero complied with the post-registration requirements under 16 TAC § 25.109(f).

The Commission approves Valero's relinquishment of power generation company registration number 20076. The Commission must revise its records accordingly.

Signed at Austin, Texas on the 4th day of February 2025.
