Re: Docket No. 57608; *Petition of Comal Properties Inc. to Amend Aqua Water Supply Corporation's Certificate of Convenience and Necessity in Travis County by Streamlined Expedited Release*

Dear Judge Burkhalter:

Under Order No. 3, June 5 is the deadline for the petitioner to file a reply to the CCN holder's response to the petition. The CCN holder in this proceeding, Aqua Water Supply Corporation, did not file a response to the petition, so the petitioner, via VTRE Development, LLC,<sup>1</sup> will not be filing a reply.

Sincerely,

Tolliver McKinney
