APPLICATION OF EXXONMOBIL	§	PUBLIC UTILITY COMMISSION
UPSTREAM FOR A SELF-	§	
GENERATOR REGISTRATION	§	OF TEXAS

NOTICE OF APPROVAL

This Notice of Approval addresses the March 10, 2025 application of ExxonMobil Upstream for a self-generator registration under 16 Texas Administrative Code (TAC) § 25.109. The facilities being registered are eight 1.5-megawatt diesel facilities.

On March 19, 2025, Commission Staff recommended approval of the application.

ExxonMobil Upstream completed the registration requirements, in satisfaction of 16 TAC § 25.109(c) and (e) by providing contact information of the registrant and the registrant's primary and secondary emergency contacts; contact information of the current regulatory contact; information about each generating facility operated by the registrant; a description of the types of services provided by the registrant that relate to the generation of electricity; an oath or affirmation signed by a representative, official, officer, or other authorized person was included with the application; and a signed affidavit by a representative, official, officer, or other authorized person attesting that the registrant is not a power generation company and does not intend to generate electricity intended to be sold at wholesale. ExxonMobil Upstream is not registered with the Federal Energy Regulatory Commission as a qualifying facility.

The Commission issues self-generator registration number 70116 to ExxonMobil Upstream.

Signed at Austin, Texas on the 24th day of March 2025.
