SWEPCO provided notice by electronic mail to the municipalities that have retained original jurisdiction over its rates, as well as by publication in newspapers of general circulation in each county of its Texas service area.

On April 25, 2024, Commission Staff filed its recommendation on the petition, which included a recommendation on proof of notice. Commission Staff recommended that the provided notice be found sufficient.

On April 28, 2025 SWEPCO filed supplemental proof of notice and publication to include all of the publishers' affidavits that were attached to the proof of notice.

The administrative law judge finds the notice sufficient.
