RE: Project No. 58048 - *Application of West Moore Solar, LLC to Relinquish its Power Generation Company Registration*

RECOMMENDATION

On May 1, 2025, West Moore Solar, LLC (West Moore or Company) filed an application to amend its power generation company (PGC) registration pursuant to 16 Texas Administrative Code § 25.109 (TAC). West Moore is requesting a relinquishment of its PGC registration number 20431.

After a review of the West Moore's amendment request, I have concluded that the company has satisfactorily completed the post registration requirements under 16 TAC § 25.109(f) by reporting a material change in the information provided on the registration form. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC § 25.109(c)(5).

Therefore, I recommend that West Moore Solar, LLC's amendment request be granted, and Commission records be revised to reflect the relinquishment.
