ORDER NO. 1
FINDING APPLICATION DEFICIENT, PROVIDING OPPORTUNITY TO CURE, AND
ESTABLISHING DEADLINES

On May 8, 2025, Brazos River BESS LLC filed an application under 16 Texas Administrative Code (TAC) § 25.109 to register as a power generation company.

On May 15, 2025, Commission Staff filed a recommendation that Brazos River's application be found deficient. Commission Staff further recommended that Brazos River be provided an opportunity to cure the deficiencies in its application and provided, with specificity, the information needed for Brazos River to cure the deficiencies, in accordance with 16 TAC § 25.109(g).

The administrative law judge finds Brazos River's application deficient for the reasons specified in Commission Staff's May 15, 2025 recommendation. Under 16 TAC § 25.109(g)(1), if the deficiencies are not cured within 20 days of the date on this Order, the application will be rejected, without prejudice to refiling. Therefore, by June 4, 2025, Brazos River must cure the deficiencies in its application identified by Commission Staff.

By June 17, 2025, Commission Staff must provide a supplemental recommendation on the application.

Signed at Austin, Texas the 19th day of May 2025.
