If you have a billing question or complaint, call or write to us before the due date on your bill. When writing, please use a separate piece of paper and include your name, address and account number. Notes written on the bill may delay processing of your payment. Our customer service address is listed on the front of the bill. You may also contact us for a rate schedule which is an explanation of how to verify that your bill is correct or for an explanation of our charges.

Please notify our office immediately upon changes of occupancy, ownership or mailing address, as the customer is responsible for all charges until we are notified. All water passing through the meter will be charged to the customer whether used, wasted or lost by leakage.

If your bill is based on zero usage, there may be a problem with your meter reading equipment. If there is a problem with your meter reading equipment, you will be responsible for the water usage or leakage not reported on this bill. Please call customer service if you have any questions or to have your meter reading equipment serviced.
