Subject: Opposition to Proposed Rate Increases by Aqua Texas – Eagle Creek Ranch Subdivision

To Whom It May Concern,

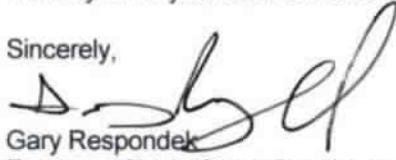

I am writing as a concerned resident of the Eagle Creek Ranch subdivision in Floresville, Texas, regarding the recent notice of proposed rate increases submitted by Aqua Texas. These increases are not only excessive, but they pose a significant financial burden on our community—many of whom are on fixed incomes or already struggling with rising living costs.

The proposed adjustments appear to lack adequate justification based on service quality and infrastructure improvements. In our experience, Aqua Texas has not demonstrated commensurate enhancements to warrant such a substantial rate hike. We urge the Commission to scrutinize this proposal carefully and consider the disproportionate impact it will have on families in our neighborhood.

Reliable and affordable access to water is a basic necessity—not a luxury. These proposed increases undermine public trust and strain the already fragile relationship between Aqua Texas and the residents it serves. I respectfully request that the Public Utility Commission reject this rate increase or significantly revise it to reflect fairer, more transparent reasoning and genuine community input.

Thank you for your attention to this matter and for standing up for the interests of ratepayers across Texas.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Respondek', written over the printed name.
