RATEPAYER COMMENTS/REQUEST TO INTERVENE PUCT DOCKET #58124

CUSTOMER: CHARLOTTE BLOCKER, 19019 CANDLE RIVER LANE, SPRING, TEXAS 77388

Since August 2015, I have lived in the Candle Light Hills area in Harris County, Texas where Aqua Texas, Inc. has been the provider for water and sewer services. The frequency of the ongoing rate increases for these services have been assessed almost yearly; with infrastructure improvements being the reason communicated for the rate increase. If that's the case, why is it that every time we experience severe rain/wind storms in the Candle Light Hills area in Harris County, Texas, our water pressure decreases or goes completely off and we are placed on BOIL WATER ALERTS. By now, infrastructure improvements should have been made and identifiable to the customers Aqua Texas serves. As for me, nothing has changed and is the reason I am protesting another proposed rate increase.
