Re: Puct Docket number (58124)

Address: 8816 Lazy Oak Drive, Justin, TX 76247

Good afternoon

Please accept this letter as my official protest to deny approval for the proposed rate increase of water pricing for my residence located at the above address. Aqua Texas is providing water to my neighborhood, We have had extremely poor water quality and service from Aqua Texas and very little communication on any improvement plans. I do not want to pay more for such poor service.

Thank you,
Nema House
