- Agua should not be Allowed to increase rates. They are the worst utility Company to ever exist.
- Agua is not living up to their contractual agreement to provide safe water. Everyone in our neighborhood has to buy ~~sparkle~~ jugs because the water is not safe to drink.
- Agua refuses to upgrade their infrastructure and as a result, we constantly have water pressure issues.
- Agua Fails to promptly & timely notify us of boil notices all the time.
- Agua's customer service is the absolute worst
- we are already paying way too much on our water bills
- Agua should NOT be allowed to increase rates as they are a failing utility company.
