Aqua Rate Change!! Please do not ignore.

We all likely received a big packet in the mail this past weekend from Agua, I almost threw mine out.. decided to open it. This package is our notice that Agua has filed a notice to hike the rates up across the state. In real small print in this package it states "NO HEARING WILL BE HELD AND THE RATES WILL BE EFFECTIVE AS PROPOSED UNLESS PROTESTS ARE RECEIVED FROM AT LEAST 10% OF RATEPAYERS OR FROM ANY AFFECTED MUNICIPALITY"... That means we have to file the forms. They give you one to mail in, in the packet. OR ... you can go here: https://www.puc.texas.gov/ agency/rulesnlaws/participate/ and file it online. (They make that real small print as well). You will need the docket number: 58124. You will want to put in a "COMMENT" as a "PROTEST". You have to upload a file (can be a word document I believe) with your comments. All forms are due ASAP as the proposed rates WILL take affect July 25, 2025, if adopted.

This is a \$17M+ increase across all customers. Please make your voices heard!!
