RE: PUC Docket No. 58124

As a resident in Sierra West (rural Driftwood, TX, Hays County), I appreciate having a managed water system. However, our rates were already much higher than typical municipalities. I would like to request that the PUC closely scrutinize Aqua Texas's proof of increased expenses that should justify this huge increase. Otherwise, this is just an increase to the profit margin for a company that, despite the word Texas in their company name, is actually a large national company - at our expense.

A handwritten signature in black ink, appearing to read "Sharon L. Cobb". The signature is written in a cursive, flowing style with a large initial 'S'.
