Notice of Proposed Rate Change

Pursuant to Texas Water Code § 13.187

Aqua Texas
Company Name13201, 13203, 13254, 21059, 21065, 21116
CCN Number(s)

has filed a rate change application with the Public Utility Commission of Texas (Commission or PUCT). The application may be reviewed online at interchange.puc.texas.gov. You may also inspect a copy of the rate change application at your utility's office at the address below or at the Commission's office (1701 N. Congress Ave, Austin, TX 78701). The proposed rates will apply to service received after the effective date provided below, unless modified or suspended by the Commission. If the Commission receives a sufficient number of protests, separately or in a combined protest letter, from at least 7,897 ratepayers (10 percent of the utility's customers over whose rates the Commission has original jurisdiction) or from any affected municipality before the 91st day after the proposed effective date, the matter will be set for hearing. See Protest Form on the next page for instructions on how to protest.

EFFECTIVE DATE OF PROPOSED INCREASE:

July 25, 2025

(must be at least 35 days after notice is provided to customers and 35 days after application is filed)

(Proposed rates requested by the utility are not final. The Commission may modify the rates and order a refund or credit against future bills all sums collected during the pendency of the rate proceeding in excess of the rate finally ordered plus interest.)

Reason(s) for Proposed Rate Change:

The proposed rate change is being requested in order to recover capital investments Aqua Texas has made to maintain and improve its systems since the last rate case(s) and to reflect inflationary increases to Aqua Texas' operating costs.

ATTACHMENT TO RATEPAYER COMMENTS/REQUEST TO INTERVENE

My name is Caprice Ritcheson and I reside at 616 Cherry Ridge in Floresville, TX. I am part of the Eagle Creek Ranch Subdivision.

I am vehemently against the proposed rate increase. AquaTexas has allowed our subdivision to be last of the list as far as maintenance and improvements. When their equipment failed due to poor maintenance 3 years ago, many of us filed formal complaints. Due to the complaints Aqua Texas was required to make quite a few improvements to our system. They are now trying to recoup their entire cost of repairs through a rate increase that will double our current rates.

We currently have the highest water rates in this area right now and as we are all on septic also bear the burden of those costs personally. This utility should not be allowed to gouge the ratepayers as many here are on fixed incomes and cannot pay the increased rates.

I can be reached at 210-275-4915.
