Control Number - 58124

Item Number - 755

TO: Public Utility Commission Texas (PUCT)

Subject: Aqua Texas rate increase.

PUCT DOCKET NO. 58124

I writing to protest the size of this rate increase. Without a doubt, inflation has driven up costs, but the proper way to deal with inflation is incremental annual increases rather than doubling prices overnight. This is a very poor way to manage a monopoly utility.
